RIYC

RStGYC

Volvo Dún Laoghaire Regatta Sustainability Steps

1

WATER

Reusable water bottles will be available to buy onsite which can be refilled at hydration stations. No single use plastic water bottles will be sold on site.

FOOD

All clubs will use real crockery when serving foods and any other glasses or straws will be reusable or compostable.

2

3

WASTE

Bin stations will be on site so you can separate your waste to increase the amount of material we can recycle and compost.

INFORMATION & ADVICE

We are running an information campaign on tackling single use plastics and marine litter supported by MaREI Centre for Marine and Renewable Energy and Clean Coasts.
